FOR IMMEDIATE RELEASE

**Habitat for Humanity Greater Orlando & Osceola County teams up
with Enterprise Mobility to dedicate a home they helped make
possible**

Orlando, Fla. (April 23, 2025) – Habitat for Humanity Greater Orlando & Osceola County and Enterprise Mobility’s Amigos Affinity Group teamed up on Tuesday, April 22, for a home dedication ceremony. The organizations celebrated Habitat homeowner Ambar closing on the purchase of the brand new, affordable Habitat home.

Before being approved to purchase a Habitat home, Ambar, who works as a housing counselor, said she worried that increasing rents and housing prices would keep her own goal of homeownership out of reach.

"Becoming a homeowner has been life-changing in every way," Ambar said. "I feel much more secure in my future knowing that I have stability in my housing. I love knowing that my home is mine, that I’m not paying rent to a landlord, and that I am instead paying on a mortgage that will help to secure my future."

Enterprise Mobility’s support bolsters Habitat Orlando & Osceola’s ability to pioneer innovative housing solutions, empower individuals through knowledge, and transform communities by addressing the root causes of the housing crisis.

"Support from generous community partners like Enterprise Mobility helps us get closer to our vision of a community where everyone has an affordable place to call home," said Habitat for Humanity Greater Orlando & Osceola County President & CEO Catherine Steck McManus. "We know that affordable and stable housing is not just about shelter—it’s the foundation for thriving individuals, families, and communities."

Tuesday’s home dedication marks a continuation of a partnership between Enterprise Mobility and Habitat Orlando & Osceola that started in 2022.

"We are proud to support Habitat for Humanity through volunteer efforts and grants from the Enterprise Mobility Foundation. At Enterprise Mobility, we are passionate about strengthening our local communities, which is why we are honored to support the organization’s vision of

building a world where everyone has a decent place to live," said Daniel Artone, Enterprise Mobility Vice President and General Manager in Orlando, Florida.
