Habitat for Humanity Greater Orlando & Osceola County breaks ground on two homes as part of Builders Blitz 2026

Park Square Homes and Walker & Company will donate the time, labor and materials to build the homes along with their subcontractors and vendors.

ORANGE COUNTY, Fla. (Jan. 13, 2026) – Habitat for Humanity Greater Orlando & Osceola County is partnering with Park Square Homes and Walker & Company to build two energy-efficient, affordable homes for two local families, that will be completed in just a few weeks. Taking place in Orange County's Holden Heights neighborhood, Builders Blitz 2026 kicked off Jan. 13 with a groundbreaking ceremony.

"We're excited to build two brand new, affordable homes in Orange County as we continue our mission to transform communities by addressing the root causes of the housing crisis," said Habitat for Humanity Greater Orlando & Osceola County President & CEO Catherine Steck McManus. "We are extremely grateful to Park Square Homes and Walker & Company for continuing to help us pioneer housing solutions in our community."

This is the 12th Habitat home that local builder Park Square Homes and its subcontractors and vendors will donate the materials, supplies and labor to build as part of the annual Builders Blitz event. Walker & Company marks its 6th Habitat home donation and continues its longstanding support of Habitat Orlando & Osceola's mission.

This year's homes will be purchased by two local families with an affordable mortgage.

Park Square Homes is committed to creating sustainable initiatives that provide affordable and accessible housing, like the work Habitat Orlando & Osceola does every day.

"We're excited to partner with Habitat Orlando & Osceola to build our 12th Habitat home to serve as a stable foundation for another local family," said Suresh Gupta, Co-Chief Executive Officer of Park Square Homes. "Our partnership brings our company's founding principles of integrity, community, and collaboration to life right here in our community."

Walker & Company is excited to create a foundation for another local family to thrive for generations.

“Walker & Company is proud to partner with Habitat for Humanity to help create a strong foundation for a local family—one that supports stability, opportunity, and growth for generations to come,” said Walker & Company, Inc. Vice President Alan Fredrickson.
