**ORLANDO, Fla. (Feb. 12, 2022)** — In a continued partnership with [Habitat for Humanity Greater Orlando & Osceola County](#), the [Enterprise Mobility](#) team volunteered to bring a Central Florida family's stable, affordable home another step closer to completion. On Thursday, a team of more than a dozen volunteers from Enterprise Mobility helped hang siding on the exterior of a Habitat home under construction in the historic Holden Heights community. At the same time, the Enterprise Mobility Foundation presented a generous donation to help fuel the nonprofit's continued effort to pioneer housing solutions and transform communities in Central Florida.

“Affordable and stable housing is not just about shelter—it’s the foundation for thriving individuals, families, and communities,” said Catherine Steck McManus, president & CEO, Habitat for Humanity Greater Orlando & Osceola County. “We are grateful for the support of our partners like Enterprise Mobility that help us pioneer housing solutions and transform communities in Central Florida.”
