**ORANGE COUNTY, Fla. (Feb. 6, 2026)** – Habitat for Humanity Greater Orlando & Osceola County partnered with Park Square Homes and Walker & Company to build two energy-efficient, affordable homes for two local families, in just a few weeks. We celebrated the completion of the new homes in Orange County's Holden Heights neighborhood on Friday with a ribbon-cutting ceremony.

"These brand new, affordable homes in Orange County will provide a stable foundation for two families in our community. The homes will be where health is nurtured, education is strengthened, and opportunities are unlocked," said Habitat for Humanity Greater Orlando & Osceola County President & CEO Catherine Steck McManus. "We are extremely grateful to Park Square Homes and Walker & Company for continuing to help us pioneer housing solutions in our community."

This is the 12th Habitat home that local builder Park Square Homes and its subcontractors and vendors donated the materials, supplies and labor to build as part of the annual Builders Blitz event. Walker & Company marks its sixth Habitat home donation and continues its longstanding support of Habitat Orlando & Osceola's mission.

This year's homes will be purchased by two local families with an affordable mortgage.

Park Square Homes is committed to creating sustainable initiatives that provide affordable and accessible housing, like the work Habitat Orlando & Osceola does every day.

"Park Square Homes is proud to partner with Habitat for Humanity Greater Orlando & Osceola County once again through Builders Blitz," said Suresh Gupta, Co-CEO of Park Square Homes. "For more than a decade, this effort has allowed us to help provide hardworking families with the opportunity to achieve affordable homeownership. These homes represent stability, hope, and

a stronger future, and we are honored to support Habitat’s mission of building strength and self-reliance through shelter.”

Walker & Company is grateful for the opportunity to once again support Habitat Orlando & Osceola’s Builders Blitz and help make the dream of homeownership a reality for a local family.

“This milestone represents our sixth Habitat home donation and reflects our longstanding commitment to furthering the mission of Habitat for Humanity Greater Orlando & Osceola County,” said Alan Fredrickson, Vice President of Walker & Company, Inc. “We are honored to help create a place where another local family can thrive—a home that will serve as the foundation for stability, opportunity, and countless cherished memories for years to come.”
