

Giving that Gives Back

Partner with Habitat Orlando & Osceola through the Community Contribution Tax Credit Program (CCTCP) and receive a refund of up to \$200,000 based on annual tax credits paid.

How It Works

Florida-based businesses that collect and remit state sales and use taxes can make contributions that go directly to constructing homes, and the **businesses may receive a refund against sales tax paid to the state—up to \$200,000.**

Full Home Sponsorship: Contribute up to \$200,000 toward the construction of an affordable home and receive a full refund based on sales tax submitted over the last 12 months.

Cash Donation Options: Start at \$10,000 to assist with the construction of a new affordable home and you can also receive 50% of that donation refunded based on sales tax submitted over the last 12 months.

Sponsors participate in volunteer build days, creating meaningful team experiences and stronger community ties.
